

THE NEXT GENERATION OF HEALTH AND WELLNESS

CONFIDENTIAL

WHY VIVE?

WE'RE NOT YOUR AVERAGE WELLNESS SHOT. IN FACT, WE'RE NOWHERE NEAR AVERAGE.

**WE COLD-PRESS THE PUREST, MOST EFFECTIVE INGREDIENTS INTO 2 FLUID OUNCES OF WHOLE-BODY HEALTH.
IN OTHER WORDS, WE'RE UNLIKE ANYTHING YOU'VE TASTED BEFORE.**

DOCTOR-CRAFTED

We don't think our shots work, we *know* they do. With the help of a dedicated team of doctors, our formulas are crafted to combine the most wellness possible into each one.

FUNCTION-FOCUSED

Our shots are no-frill, all-function. From boosting immunity defense to supporting digestive health, each packs the power to support a specific health benefit.

ALL NATURAL

We're the real deal. Every ingredient that goes into a Vive Organic Wellness Shot is USDA Organic, Non-GMO, Kosher, and free of any artificial colors or sweeteners.

COLD-PRESSED

Vive shots are cool. Literally. Because they're never heated, you get 100% of the vitamins, minerals, and nutrients that each carefully selected ingredient naturally provides.

THE PERFECT MERCHANDISING

These items will arrive in your Starter Kit

POS Merchandising Item:

Ice Bowl:

The ice bowl is double insulated and will keep the shots cold until late morning.

An exchange of ice will have to be administered on average twice a day.

Backwall and Clip:

We provide multiple of these because they need to be exchanged over time.

Brochures and Brochure Stand:

Please place by ice bowl for customers to read more additional information on Vive Organic.

Please tell your Vive rep when more backwalls, clips or brochures are needed.

Better Booch

PREMIUM SMALL CRAFT KOMBUCHA

WHY ARE WE BETTER?

- Made by Master Brewers using a proprietary brewing process that creates certified non-alcoholic kombucha that is raw and alive
- Each sku features a unique tea blend, botanicals, herbs, and adaptogens
- No added juice or sugar after brewing
- Certified Organic
- Low sugar
- Delicious and made with love!

WHY ARE CANS BETTER?

- Cans keep out all UV rays, so those live probiotics stay active
- Cans are infinitely recyclable and use fewer emissions to manufacture & ship - which is better for our planet!
- Cans go where bottles cannot - take it to the beach, lake, or park for a better picnic!

CANS PER CASE: 12

CAN SIZE: 16oz
